The National Indoor Climbing Award Scheme (NICAS) is a nationally recognised award that focuses on proficiency and development of climbing skills and ability. The NICAS clubs require registration with the NICAS scheme for the relevant levels before attendance (available at reception).

(BB)**As these are developmental clubs they operate on a block booking basis typically for 4 weeks. Don't worry, if you miss the chance to book on a NICAS block there are Drop in Clubs operating alongside them with the only difference that there will not be a formulated week on week development, instead the drop in clubs caters for those climbers that may not be able to attend week on week.

* £52.00 per 4 week block booking, £14 per single lesson.
